FITABLE ON ALL E-COM MACHINES

E-COM 1,2,3,4

The Paper Tear Tape module is fitable on all HolwegWeber E-Com new machines as well as for retrofit. This device can run on the same production capacity than standard machines.

FULFILLMENT CENTER READY

In addition to end customer easy opening functions, the multifunction flap of our packaging is Fulfillment Center Ready and allows simple and fluid filling for order preparation teams:

Hanging stub with 2 wicket holes and easy to release pre-cut

Ship closing part with shifted liner (easy peeling)

**NEW!** Opening paper tear tape (plastic free)

Returning closing part with liner

A NEW OPENING SOLUTION FOR ALL E-COM PACKAGING

The new opening Paper Tear Tape is 100% compatible with all our E-Commerce solutions:

- E-Com 1 and E-Com 2 flat bottom mailers
- E-Com 3 square bottom packaging
- E-Com 4 cross bottom packaging

100% BIODEGRADABLE AND COMPOSTABLE SOLUTION

Unlike other opening solutions using multiple materials, we offer the same easy opening feature using only paper. It greatly facilitates the life cycle of the product, and is entirely recycled, biodegradable and compostable. The paper tear-tape therefore provides the lowest environmental impact for E-Commerce paper packagings.
