SHEETERS SOLUTIONS

HIGH SPEED SHEET CUTTERS SOLUTIONS

Operator benefits

Like genuine clockwork in its complexity, a HolwegWeber solution is easy to run. On one hand the ergonomic conception gives security and comfort, on the other hand a very large panel of tools was worked out to provide help and assistance.

Equipment designed and manufactured by HolwegWeber is provided with guards and safety devices according to sound design practice

- Full Complement of Guards with Selected Interlocks with automatic machine stop
- Touch screen operator control for ease of operation
- Low noise level for a better comfort of the operator
- Complete Operations Manual for machine operation & maintenance
- Tool box containing the tools necessary for proper maintenance
- Operator Training
- Standard and suggested Spare Parts are included

For any kind of paper

- Laminated paper foil
- Tissue
- Corrugated paper
- Freshpack
- Co-extruded paper
- Waxing paper

Special Equipment

- In-line Flexo printing
- Lamination (full, freshpack, etc.)
- Two unwinders for double productivity !
- Waxing unit
- Marking
- Labeling
